

MAERSK Corporate Office

Panama City, Republic of Panama

The Maersk Company has its head office in London and offices in 20 locations across the UK and Ireland. The Company staffs over 5,000 employees operating on both land and sea.

Located in the Costa del Este Business Park, this project includes design and construction management of a 22,000 SF office building including cafeteria, training rooms, open office workstations, and corporate board room.

The project was completed with business operations fully-functional in July of 2007.
