

Renault, Calle 50

Panama City, Republic of Panama

Renault S.A. is a French vehicle manufacturer producing cars, vans, buses, tractors, and trucks. The company is well known for numerous revolutionary designs, security technologies, and motor racing.

McKinney Internacional provided full-service design, construction inspection, and construction management of this 10,000 SF facility for a Renault Car Dealership.

Project applications included the design and construction of a mechanic shop, administration offices, sales rooms, and a coffee / break area for clients and staff.
