

Tagaropulos, Finca Rio Alejandro

Colon, Republic of Panama

The Tagaropulos site is located just east of the Panama Canal's northern entrance and features approximately 2 miles of harbored coastal shoreline

Finca Rio Alejandro is a 4,500-acre parcel in Bahia Las Minas located directly across the bay from a Texaco oil refinery, including private port and private electrical energy facility.

McKinney Internacional provided feasibility and land planning services for the development of a heavy industrial park on-site. McKinney also assisted the client by developing a land bay / circulation plan and marketing brochure that endorsed the property's market value.
